

English/Engels:

### **Official FlemishCraft Discord server Rules (OFCDR)**

All members and all employees of FlemishCraft© are responsible for following and maintaining the rules.

All members and all employees of FlemishCraft© are responsible for following the Discord-ToS (Discord Terms of Service) and the Community Guidelines, the rules the rules that Discord imposes on servers, users and server owners.

Note: Among other things, the Discord-ToS states that Discord should not be used under the age of 13. And that server owners and servers can be banned if they do not ban users when they know that one or more people are not 13 years old and still use Discord on their server.

It is forbidden to spam in any way.

Note: It is forbidden to put entire sentences in uppercase / CAPS.

Note: It is forbidden to fully capitalize entire words / CAPS if these words are not fully capitalized in the Dutch and / or English language.

Note: It is forbidden to spam in private messages (also known as DM or PM).

Note: It is forbidden to spam with links / URLs.

Note: You are allowed to spam in your Discord username, your Discord profile picture and your Discord nick as long as it does not violate any other rules of the Discord server. It is allowed that in one of the above cases advertising spam stands for websites, games, servers, groups and channels that do not break any other rules of the Discord server. You are not allowed to spam with advertising in your Discord nickname.

Advertising is forbidden in any way.

Note: Advertising in your Discord custom status is allowed.

Note: Advertising in your Discord username, Discord profile picture is allowed.

Note: Advertising for partner servers, channels with a YouTube rank on the Discord server, channels with a Twitch rank on the Discord server is allowed.

Note: Advertising for other MineCraft servers, other Roblox servers, other Discord servers or other Skype groups is forbidden in any way unless the server is a partnerserver on our Discord server.

Note: Advertising for other MineCraft servers, other Roblox servers, other Discord servers or other Skype groups is forbidden in any way unless the server is a partner server on our Discord server.

Note: You can place a link of a YouTube video, as long as it does not violate other rules and it has no advertising purposes.

Note: Advertising for any other MineCraft server is not allowed in any way. Whether it is an IP, a server name, you ask someone to join in the chat, in a private message or you talk about another server in the chat. It is all seen as advertising and is therefore not allowed.

Note: Talking about another MineCraft server and / or Roblox server in a text channel is forbidden unless this server is a partnerserver of our Discord server.

Note: You are allowed to play on a different MineCraft server and Roblox server while in a voice channel. It is also allowed to talk about it in a voice channel.

In all channels of the Discord server it is only allowed to speak Dutch, English or in the dialect of the city Antwerp.

It is forbidden to use words from the street language and / or the youth language derived from non-Germanic languages, for example Arabic.

Note: It is allowed to use words from the street language and / or youth language derived from Germanic languages, for example English.

It is forbidden to swear or curse in any way.

Note: Abbreviations containing swear words or curse words are forbidden.

Note: Swearing with diseases is forbidden.

Note: Swearing soft is forbidden.

It is forbidden to use inappropriate language in all voice channels and all text channels in the Discord server.

Note: Talking about drugs and cigarettes is forbidden.

Note: Talking about NSFW (Not Safe For Work) is forbidden/
